Short Description

Description

1000 Denier Polyester Fabric with a 3-Pass Urethane Coating and a

width of 59/60".

It is a cost-effective alternative to 1000 Denier Nylon Fabric.

Ideal applications include backpacks and luggage.

All our fabrics can be treated with a variety of finishes and coatings and ordered in custom colors and prints.

Color swatches on website are representations of the material. Unique textures and finishes may not be apparent.

Acrylic, Nylon, Polyester, and Vinyl fabric product colors may have a tendency to migrate from dark shades to light shades during washing or drying.
